2. For the meeting scheduled 5 June 1986, I have been asked to provide a timely topic and speaker. A CTC organizational and functional presentation would, I believe, be of immense interest to the group. They all have their own counterterrorist components and they would appreciate knowing how theirs should tie into ours.

3. The June meeting will be held in Room 1207 at State Department and will begin at 10:30 a.m. Guest speakers usually appear during the first 20-30 minutes on the agenda. Speakers usually ask for questions following their prepared talks.

4. Please advise whether someone from your group can make this presentation on 5 June. I understand that [redacted] of your group has already been informally alerted to the meeting and has given tentative concurrence. If so, we will look forward to meeting your representative at the meeting,
