MEMORANDUM FOR: Robert J. Kohler  
Director, Office of Development and Engineering

FROM: Richard J. Kerr  
Associate Deputy Director for Intelligence

SUBJECT: Requirement for Capability to Transmit  
Annotated Imagery

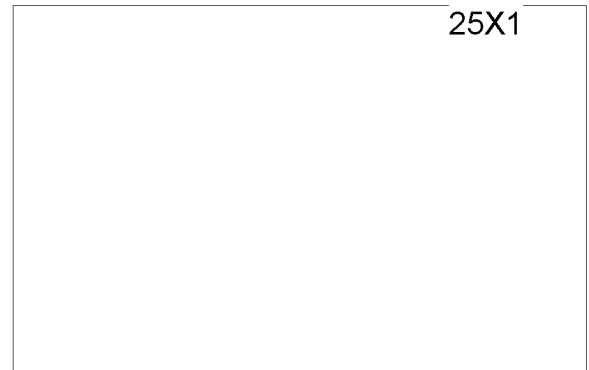

Attached are this Directorate's requirements for a replacement for the system we are presently using to transmit annotated imagery. Please look them over and report back with costs and schedules in enough breadth and depth for us to identify and fine-tune any technical and/or financial drivers. As you know, we are also developing requirements for the longer-term. We will send these over shortly.
