STAT  
STAT  
STAT

1. I request permission to give an oral presentation on China's international finances to representatives of the U.S. banking community that are members of the National Council for US-China Trade. The presentation will be made on 31 May 1984 in the context of a small private conference organized by the National Council to discuss Chinese financial matters. I have addressed this conference in past years on the same topic and have encountered no publicity problems.

2. The conference provides a valuable forum for making contacts with members of the banking community.
