MEMORANDUM FOR THE RECORD

SUBJECT: Change in Appropriations for Supplemental Agreements Nos. 4 and 5 to Contract SC-21-54.

1. Contract No. SC-21-54 with Perkin-Elmer Corp. and Amendments 1-5 thereto provide for production of certain photographic equipment for Project AQUATONE in the amount of \$6,415,545.

2. Included in the contract are six (6) "C" Camera equipments and related items. It has been determined by the Project Director that two (2) of these complete equipments are no longer essential to Project AQUATONE and may be transferred to the FOG program.

3. The "C" Camera equipments to be transferred to the FOG from Contract No. SC-21-54 amount to approximately \$400,000 which sum should be credited to Project AQUATONE funds and charged to Air Force funds transferred to the Agency for FOG requirements. Pending determination of the exact amount to be charged to Air Force funds, it is requested that all Fiscal Year 1957 AQUATONE funds obligated under Contract SC-21-54 totaling \$338,119 and consisting of \$68,497 obligated under Supplemental Agreement No. 4 and \$269,622 obligated under Supplemental Agreement No. 5 be credited to Project AQUATONE and this same amount be obligated under Contract SC-21-54 from Department of Air Force funds. It is proposed that the difference between \$338,119 to be credited AQUATONE funds hereunder and the total credit of approximately \$400,000 will be recouped under future procurements involving both AQUATONE and AF funds during the current fiscal year.

4. If the foregoing is satisfactory to the Project Comptroller, it is requested that concurrence be indicated below:
