STAT

Approved For Release 2007/12/18 : CIA-RDP89B00739R000400060017-4

Central Intelligence Agency Washington, D.C. 20505 (703) 351-7676

Charles E. Wilson Chief, Public Affairs

26 May 1982

Jim:

Attached is a sample press release and some earlier material on Les.

CIA almost never issues "departure" press releases. Our rare press releases usually announce someone's appointment.

While it may be wise to have a press release ready to go, it would probably be wiser to hold it back until we know more about Les' future plans and his successor.

Please letme know how we can be of further help.

Chuck
