**MEMORANDUM FOR: Director of Communications**

**SUBJECT : Appreciation for Briefing on  
Emanation Security Provided  
by the Communication Security Staff**

1. Messrs. [redacted] of the Communication Security Staff provided a briefing on the technical aspects of emanation security to the USIB Computer Security Subcommittee at its 5 June 1970 meeting. This briefing was accomplished in a most professional manner and proved to be one of the most interesting briefings provided the Subcommittee in several months.

25X1

[redacted] displayed a wealth of experience in this field and were able to respond to many technical and general questions on the subject posed by individual members.
