15 September 1974

MEMORANDUM FOR: Computer Security Subcommittee Members

SUBJECT   : Draft Intelligence Community Policy
                  and Procedures for the Security of
                  Computer Operations

    1. Attached you will find subject draft. It is
intended that this document will serve as a base for
discussion under Item 3 of the Agenda for the Eightieth
Meeting of the Subcommittee to be held 20 September 1974.

    2. Members should review this draft and be prepared
to discuss overall format and content changes they may
feel necessary for the subsequent development of a final
draft for staffing in their respective organizations.
It is hoped that this final draft may be completed in
the coming weeks.
