MEMORANDUM FOR: Director of Security

FROM: Chief, Headquarters Security Division

SUBJECT: 27 April 1987 Demonstration At The Headquarters Compound.

1. On 30 March 1987, a meeting was held at the United States Park Police (USPP) Headquarters regarding the "Mobilization for Justice and Peace in Central America and Southern Africa" (Tabs A & B) demonstration which is planned to take place at the Headquarters Compound on Monday, 27 April 1987. The following information was provided:

- o Demonstrators are expected to number between 600 and 1,000.
- o Transportation will be via some twelve buses and an unknown number of vans and private automobiles.
- o The staging area has been identified as the Langley Fork Park located on Georgetown Pike (Rt. #193) (Tab E) where the demonstrators will be dropped off and picked up.
- o The demonstrators plan to depart Washington, D.C., at 0630 hours. A rally at the staging area will commence at approximately 0700 hours. Following the rally (length of time unknown), the demonstrators will proceed to the Route #123 Gate by walking along the shoulder of Routes #193 and #123. A second group of demonstrators will proceed to the George Washington Parkway entrance via vans.
- o The demonstrators at the Route #123 entrance will gather on the triangle on Route #123 and surrounding grassy areas on both sides of the Headquarters access road (Tab E).
- o The demonstrators on the George Washington Parkway entrance will be dropped off on the grassy areas on both sides of the access road leading to the Parkway gate (Tab E).

- o Non-violent civil disobedience (Tab D) in the form of traffic disruption (only type of disruption volunteered) is planned at both entrances with anticipated arrests numbering between 100-300. All arrests are planned to take place on federal property. Demonstrators will carry banners, posters, crosses, mock tomb stones, bullhorns, etc.
- o At this time there is no plan to demonstrate at Langley Fork Park or disrupt traffic along Route #193. However, details regarding the staging area activities are unclear at this time.
- o Application for this demonstration (Tab C) was filed with the National Park Service on 23 March 1987. It is anticipated that the permit will be honored. The permit shows the demonstration taking place from 0630/0700 to 1800 hours. However, the demonstration spokespersons indicated that the demonstration will be over by 1330 hours.
- o Per Fairfax County Police Department (FFX CO PD), a permit for demonstration with Fairfax County is not required for this event.
- o News media coverage is expected but the extent is not currently known.

2. Following the meeting, discussions were held with representatives of the USPP, GSA/Federal Protective Service and FFX CO PD re matters of jurisdictional concern. It was tentatively agreed that USPP will assume responsibility of all areas adjacent to the George Washington Parkway entrance as well as along the Turkey Run Access Road. The Federal Protective Service (FPS) will be responsible for the demonstration paths along Routes #123 and #193, the Route #123 access road, and areas along the east perimeter fence line. FPS will also have concurrent jurisdiction with the Security Protective Service (SPS) within the Headquarters Compound. FFX CO PD will be responsible for all areas along Routes #123 and #193 beyond the Agency property line and will also act as backup for the FPS since FFX CO PD also holds concurrent jurisdiction on the Headquarters property. The SPS along with the FPS will be responsible for all areas inside the Headquarters Compound. However, FPS will conduct all arrests; SPS will only become involved, if necessary.

A helicopter for overhead observation will be made available through either USPP or FFX CO PD. The identification of holding areas, methods of transporting arrestees, as well as other legal and logistical concerns are being coordinated among the appropriate Agency components and the various law enforcement agencies involved. Headquarters Security Division/OS (HSD) will function as the coordinator. Updates will be provided as they become available. (The next demonstrators' meeting is tentatively scheduled for 16 April 1987 at 1000 hours at USPP Headquarters).

3. The Office of General Counsel (OGC) has been requested by HSD to petition the National Park Service to revoke the demonstration permit on the basis that the exact nature of the civil disobedience is not being volunteered or assured. It will also disrupt the flow of rush hour traffic on the George Washington Parkway and will endanger the lives of the demonstrators and motorists alike.

4. HSD, with OGC concurrence, is pursuing arrangements with the FPS to restrict the demonstrators at the Route #123 access road to the Agency property line (some 20/30 feet inside of our actual property line). This should contain the demonstrators some several hundred feet from the Visitor Center parking lot.

5. PLANNED HSD ACTION: HSD has established a working group to orchestrate general strategy planning among all Agencies and internal components involved. Participation will be extended to the USPP, FFX CO PD, FPS, Federal Highway Administration, OGC, Office of Logistics, Public Affairs Office, and other Office of Security and Agency components as deemed appropriate.

25X1 6. The designated HSD focal point is
25X1 Chief Operations Branch. Questions or comments may be directed to him

An Appeal to the People of the United States

Our government's policies in Central America and southern Africa are morally wrong and violate our nation's democratic ideals. They violate fundamental rights to self-determination, liberty, and justice. They betray our own democratic ideals. They risk deeper U.S. involvement in bloody and costly foreign wars while the needs of our unemployed, homeless, farmers, and children go unmet. They reflect a militarization of our foreign policy that increases the risk of nuclear war. These policies must be changed! But these policies will be changed only if our policy makers in Washington know the depth of our opposition to them.

So we must show them. Nonviolently. Forcefully. With passion. Together. In a united witness by tens of thousands of citizens.

We are compelled to issue this appeal because:

In Central America, our government is:

- Escalating its terrorism and war against the people and government of Nicaragua through CIA-directed Contra forces.
- Providing massive economic and military aid to a government in El Salvador that is bombing its own people, repressing the church and human rights workers, and protecting those guilty of gross violations of human rights.
- Transforming impoverished Honduras into a gigantic military base for use by U.S., Contra, and other foreign forces.
- Granting military aid to the Guatemalan army that is responsible for widespread massacres, the use of strategic hamlets for population control, and the highest rate of disappearances in the Western Hemisphere.
- Rejecting opportunities to end the conflicts through political settlements providing security for all.
- Implicating us all in the killing of innocent men, women, and children.

In southern Africa, our government is:

- Continuing to support the South African government through a sanctions policy that contains major loopholes that among other things allow U.S. companies to reinvest their profits and make short-term extensions of credit.
- Persisting in intelligence cooperation with South Africa's military and security forces even as those forces repress and torture people, including church, trade union, United Democratic Front, and student leaders.
- Supporting South Africa's economic strangulation of its neighbors by refusing to provide those neighboring countries major economic support and by cutting off aid to Zimbabwe because of its criticism of U.S. policy.
- Refusing to push South Africa to end its illegal occupation of Namibia.
- Allying itself with South Africa in its war against Angola by providing covert aid to the rebel group UNITA.
- Supporting repression against legitimate representatives of the people of South Africa and Namibia.

What we demand:

- Support peace and freedom in Central America and Southern Africa
- Stop the U.S. war in Central America
- Stop U.S. government and corporate support for apartheid
- Stop U.S. aid to the Contras! Stop U.S. aid to UNITA!
