Management Staff, DA  
Plans Officer

SUBJECT:

New Communications Services Requirements, FY 1989-93

1. Attached are the cost estimates for new communications services your Offices requested for 1989/90. Except where indicated, these costs are not programmed by either the Offices of Communications or Information Technology and therefore should have been included in your budget submissions.

2. If these estimates are significantly higher than the amounts programmed for in your initiatives, then you need to notify the DA Management Staff [Redacted] by COB 24 April identifying the shortfalls. We can then factor this into the Comptroller's evaluation of the FY-89/90 budget submissions.
