SUBJECT: IG Survey of the Office of Information Services

1. The final version of the Inspector General (IG) survey of the Office of Information Services is attached for your review. Overall, I think the IG inspection team made a fair and professional assessment. response to the report, in the Components Response section, provides an appropriate counterpoint. The Executive Director's comments on this report are indicated at the paperclips. I am interested in your reactions to this report.

2. Unlike the typical IG survey, this one does not offer any formal recommendations. However, it makes a few suggestions on pages 47-49. I agree generally with these suggestions. In particular, I plan to merge CRD and IPD later this year to centralize the classification review functions for senior MI personnel in key positions.

3. Please read this report and forward it quickly. I would welcome your oral or written thoughts on it.
