NOTE FOR: DC/Protocol

SUBJECT: Deputy Secretary Dinner

Nancy:

On Wednesday, 27 March 1985, Mr. McMahon is hosting a Deputy Secretary dinner. Right now we have 7 acceptances and 1 tentative. There may be 2 more--we won't know until closer to the 27th--I will let you know as soon as I know.

Mr. McMahon would like to use the anteroom to the Director's dining room for drinks at 7:00 p.m. He would like the usual set-ups with the following liquor on hand:

Johnnie Walker Red Label Scotch  
Old Grand Dad Bourbon  
Beefeater Gin  
Smirnoff (sp?) Vodka

He would like dinner served at 7:30 p.m. in the Director's dining room. He has chosen the "Beef #2" menu (attached) with fruit cup as an appetizer and a chocolate sundae for dessert. With the meal he would like red wine served (a cabaret savignon--Inglenook or Sebastiani).

He would like two people serving. He recommends enough food for several extra meals in case there are security people accompanying any of the deputy secretaries.

If you have any questions, please let me know.
