STAT

DDCI:

On 3/21/88 Sig Cohen requested that you help kick off the 5th annual Aspen Journalists Conference to be held at the Aspen/Wye Institutes on the eastern shore of Maryland. Cohen works for the U.S. Arms Control and Disarmament Agency (ACDA) and advised that this year's forum is sponsored by the Aspen Institute of Humanistic Studies. It has the support of Ken Adelman. Cohen furnished a tentative proposed agenda for this year's conference which is attached. You are asked to speak on 5/17/88 at 9:45 for approximately 10-15 minutes on the subject "Trends in Soviet Leadership." Your talk would be followed by questions posed by the journalists in attendance.

I recommend that you accept this invitation, and I would plan to accompany you. If you agree, I will notify Sig Cohen and work with you for an appropriate presentation.
