TO: Mr. Jim Whittinghill
Deputy Chief of Staff
Minority Leader of the Senate

Dear Mr. Whittinghill,

We appreciate all your help on the drug bill to date.

Attached is a copy of subsection (d) of Section 2989 of the Senate bill with the modification I discussed with Al Lehn and to which I understand the Senate Intelligence Committee had no objection. I just wanted to make sure it was in the final bill as I could not find it in either the "leadership amendment" (Congressional Record, October 14, 1988, pp. S15170-16207) or the annotated copy of the bill as passed by the Senate. Again, we appreciate all your assistance.
