STAT

Now that your summer assignment is drawing to a close, I would like to thank you for your fine work at ESG and JPRS. You have done an excellent job at ESG performing data entry tasks. Your work at JPRS, where you took over a variety of tasks in the Near East/Asia Section, was particularly appreciated. The JPRS Registry is also thankful to you for your excellent work in distributing and storing reports.

Your colleagues have enjoyed having you work with them and join me in wishing you all the best for your freshmen year at the University of Virginia.

Sincerely,

Deputy Director
