STAT

I wish to express my gratitude and that of the Foreign Broadcast Information Service for your invaluable support to the Administrative Staff over the summer. This has been a particularly hectic summer for FBIS with the move to Reston complicating what is always a busy travel season. Your eagerness to perform any task required of you from packing boxes to acting as courier to the Passport Office and various embassies helped keep things running smoothly. Of particular note was your willingness to come to work at Reston after the move despite the personal inconvenience it presented.

Best wishes to you in your first year at the University of Maryland. You will be greatly missed by your coworkers in the Administrative Staff who look forward to having you return next summer.

Sincerely,

Deputy Director
