STAT

Now that your summer assignment is drawing to a close, I would like to thank you for your good work at JPRS. You have done an excellent job in the Publications Section of JPRS, distributing, logging in, and storing reports, and I wish to commend you for your ability to work independently to keep every aspect of the job up to date, and for your willingness to fill in for others in tasks not specifically assigned to you.

This together with your pleasant personality have earned the respect and goodwill of your co-workers, and they have enjoyed having you work with them. They join me in wishing you all the best for your freshmen year at Old Dominion.

Sincerely,

STAT
