As you complete your summer assignment with this office I want to express my appreciation for the contribution you made. The assistance you provided the Near East/Asia Division by performing a wide range of secretarial and clerical duties helped immensely in facilitating the day-to-day operations of that Division. Your willingness and ability to respond to the many requests made of you were key factors in your accomplishments. I hope you found the experience beneficial and rewarding.

Your colleagues join me in wishing you all the best as you resume your studies at Virginia Tech.

Sincerely,
