25X1

FROM: [redacted]
Director of Security

25X1

SUBJECT: Office of Security Significant Activities
Week of 23-29 August 1988 [redacted]

25X1

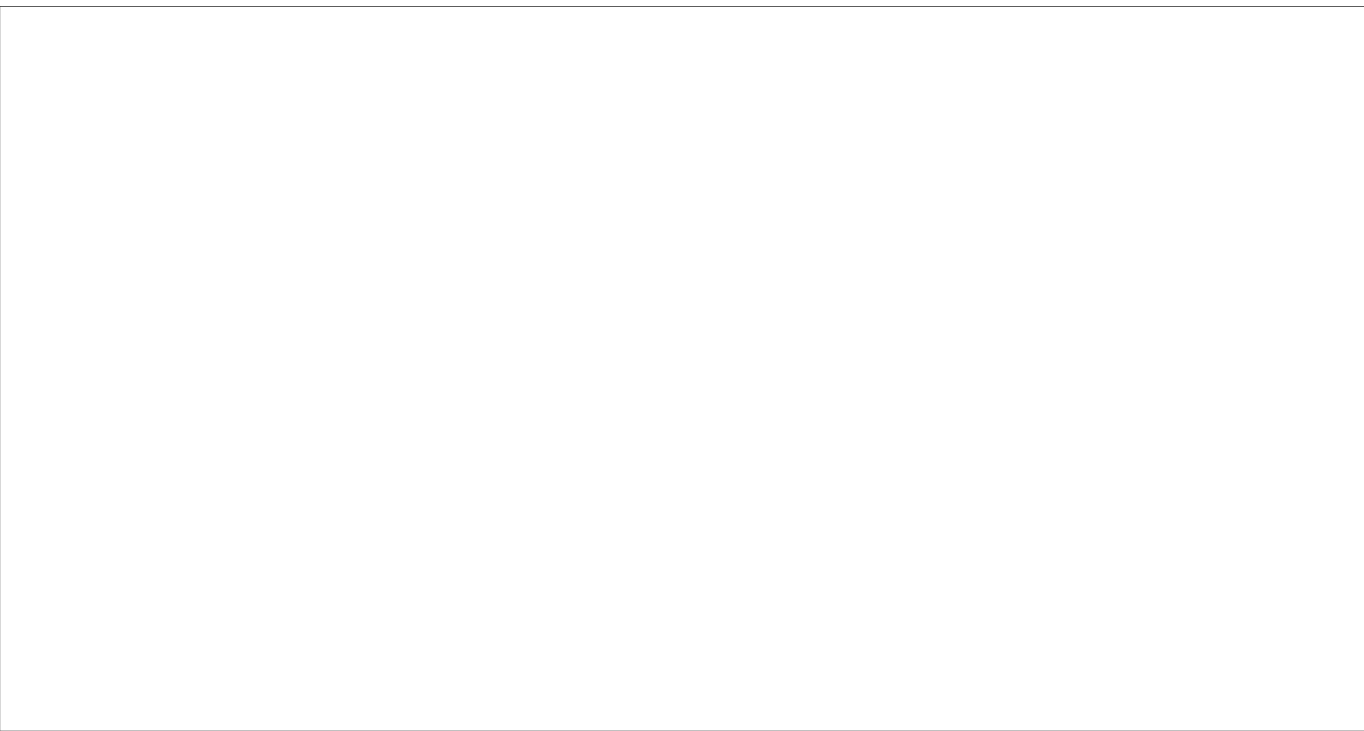

1. This memorandum is for information only. [redacted]

2. The activities of the Office of Security (OS) during the week of 23-29 August were highlighted by the following items:

25X1

*a. Representatives of the Office of Security met with Mr. Paul Joyal, Director of Security for the Senate Select Committee on Intelligence, to discuss a host of physical and technical security issues. During this session, Mr. Joyal was briefed on state-of-the art physical and technical security systems that are currently being utilized by the Agency. [redacted]

*d. During the week of 29 August, the Office of Security exceeded the [redacted] plateau for the number of security awareness briefings given to staff and industrial contractor personnel during FY87. [redacted]

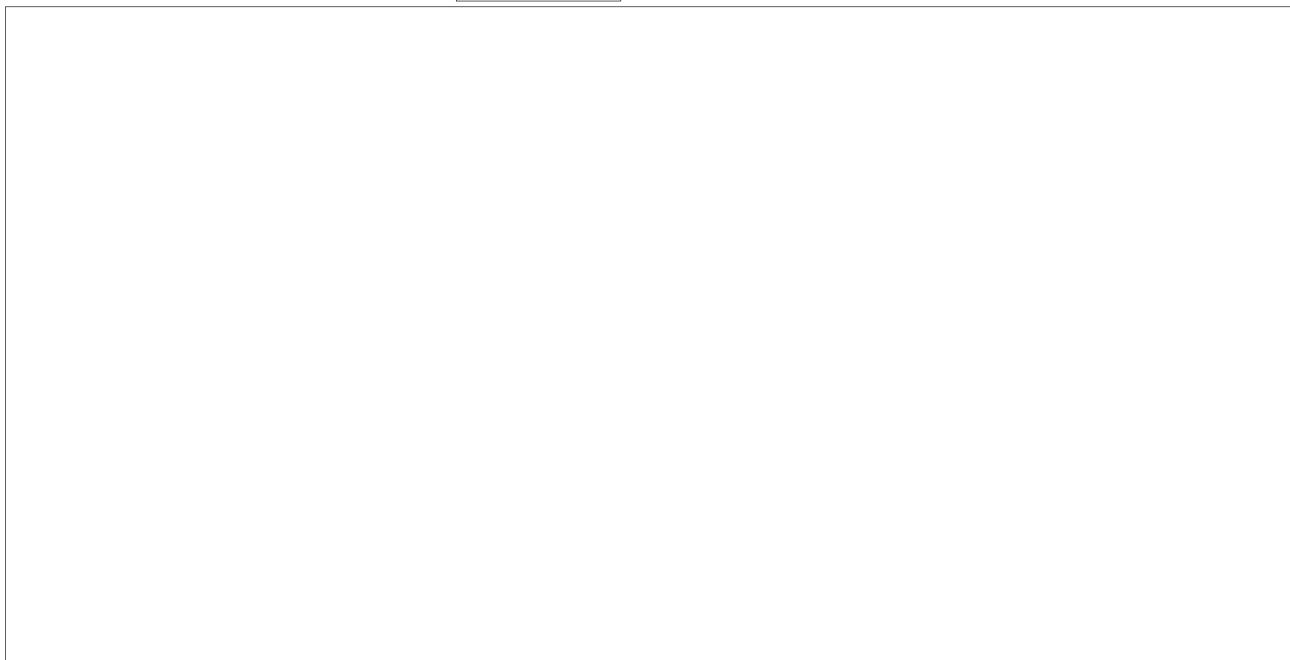

25X1

e. The Office of Security has implemented a priority case processing program designed to reduce the time in which OD&E contractor personnel are held in a nonproductive status pending successful completion of their background investigations. This program is designed to allow for the completion of these cases within 45 days. It is estimated that some 20 percent of all OD&E contractor cases fall into this category, hence the tangible savings to the Agency should be substantial. [redacted]

25X1

25X1

f. The Office of Security has completed the second phase of a three-part security training program given to Agency contractor security officers. The second phase of the training dealt with the issue of personal computer security. The goal of this newly developed program is to make the contractor community better informed on the issues of computer security. [redacted]
