Chief, Facilities Management Division, OL

SUBJECT:

DCI's Annual Report to Congress

In accordance with your guidance and the ExDir memo of 23 Dec, the following are FMD 1986 activities that we consider suitable for inclusion in subject report:

° Field Construction Support: The Office of Logistics provided cleared contractor, skilled craftsmen to supplement the Agency's own field-engineering personnel in performing sensitive, time-critical renovation projects overseas. The support provided by selected members of this cadre enabled OL to provide a timely response to renovation needs at several overseas areas during 1986.
