MEMORANDUM FOR GENERAL MAGRUDER:

General Greenbaum would like to have a report similar to the report being produced by the Assistant Chief of Staff, G-2, in paragraph 2 of Mr. Forrestal's memorandum of 13 October. The matter has been discussed among the Secretaries (State, War, and Navy) informally and will doubtless be pursued by them promptly. I think it important that there be a short, concise, and clear exposition of your views for presentation to the Secretary of War not later than the 23d.
