Please find attached five copies of an amended page which lists Congressional Hearings at which Judge Webster testified. The amended page is in answer to Question 41 of the Questionnaire and is the third page in from the last document of the blue book containing the filled-in caption "Questionnaire."

Please insert the amended page and remove the original page which incorrectly identified the subject matter of these hearings. I have furnished sufficient copies for you to forward the amended page to the White House Counsel, CIA, and the Senate Select Committee on Intelligence.
