Dear Judge Webster:

The Senate Select Committee on Intelligence has an important responsibility to consider your nomination as Director of Central Intelligence in a comprehensive manner. As you know, we are especially interested in any role you may have had in matters that are currently under investigation by two special Congressional committees and an independent counsel.

In the course of preparation for the hearing on your nomination, the Committee has received information that you were advised as early as July, 1986, of the existence of the operation to transfer arms to Iran pursuant to a Presidential Finding. A complete record of your knowledge and involvement would greatly assist the Committee's consideration of your nomination.

Therefore, we are submitting herewith a supplement to the questionnaire that is normally completed by nominees considered by this Committee. These additional questions are intended to provide a comprehensive record with respect to topics of special concern that are presented by these unique circumstances. We request that your sworn responses to these supplemental questions be provided to the Committee as soon as possible in order that they may be available prior to the date of your confirmation hearing. Of course, if portions of the responses are classified, such responses should be submitted separately.

Thank you for your cooperation.

Sincerely,

 David L. Boren
 Chairman

 William S. Cohen
 Vice Chairman
