RECPT # \_\_\_\_\_  
(OCA-87-2293)

MEMORANDUM FOR: All OGC Attorneys  
FROM: [Redacted] Deputy General Counsel  
SUBJECT: Judge Webster's Confirmation Testimony

At my request, [Redacted] has reviewed the public testimony of Judge Webster during his confirmation hearings. During that testimony, he was asked about a number of matters in which he responded with commitments. In that those will be important to future relevant legal questions, [Redacted] has organized them by subject matter of which a listing is attached. The details of those subjects will be kept on file in the OGC Library. We hope to be able to make similar analysis of the closed hearings.
