The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

Contract No. AU-811 covers analytical services for an initial supporting study of a Threat Warning and Analysis System. Amendment No. 2 has been drawn to provide for analysis, studies, and simulations which will provide definition and the means by which complex integrated electronic defensive and warning systems may be evaluated. The amendment also provides for engineering services not to exceed seven days to review computer programs and auxiliary soft-ware developed by _____
 Laboratories.
