2. This view is based on the following considerations:

[Redacted]

25X1

- There is no evidence that any SIGINT was disclosed to any unauthorized person.

- The GAO reported to the Congress the results of their investigation of the apparent leak. During their investigation, cleared GAO people reviewed the SIGINT with us and concluded that there was no evidence of a SIGINT leak. In response to a specific question by the Chairman of the House Government Operations Subcommittee on Commerce, Consumer, and Monetary Affairs, the GAO said they had no evidence that Mr. Lenahan had leaked any information.

[Redacted]

25X1

- The GAO referred the matter of possible conflict of interest on the part of Lenahan to the DoJ, but had no basis for referral of the unauthorized disclosure issue.
