RECPT # Record

OCA: 86-1769

CENTRAL INTELLIGENCE AGENCY

Director of Congressional Affairs

27 May 1986

NOTE FOR: Chief, CPN

FROM: Dave Gries *DG*

SUBJECT: Attached

One of Pat Buchanan's staffers at the White House gave me this, together with the comment that [redacted] or [redacted] associate had alleged to Ollie North that [redacted] was a CIA supplier who was not being paid on time. Probably a lot of nonsense. Do what you wish with it. I do not plan to reply to the White House.
