2. Mr. Allen gave a rundown on Abu Nidal and his organization and discussed its affiliations with the recent hijacking of PANAM Flight 73 in Karachi, Pakistan, and the synagogue attack in Istanbul, Turkey. He commented that there is no strong evidence that Libya was involved, but he believes that Libya provided some logistical support. It is known that Abu Nidal does contract work for Libya and Syria and Libya has provided weapons, etc., to Abu Nidal. Mr. Allen stressed that evidence of Libyan support is not conclusive but he believes that Abu Nidal utilized Libya for some support. [redacted]
