United States Department of State

Dear Mr. Hyde:

I have been asked to comment on the resolution which you propose to introduce into the House of Representatives. This resolution calls for the United States intelligence community to maintain "a register of Soviet, and other Communist personnel, expelled from non-Communist countries and/or exposed for improper activity" and authorizes the Director of Central Intelligence to share this list with foreign countries and the United Nations.

The Department of State strongly supports the security and intelligence concerns which underlie this resolution. However, the Department believes that this legislation is unnecessary and duplicates both existing practice and previous legislation. We already maintain a list of Soviet Bloc personnel expelled from other countries and we share this information widely with friendly nations, and, as needed, with the UN Secretary General.

We also already have legislation that enables us to prevent the entry into the United States of aliens whom we know or have reason to believe pose a threat to our national security. The Department, in coordination with all relevant United States agencies, screens visa applications on the basis of whether or not the applicant has unfavorable intelligence connections or engages in activities which endanger the welfare, safety, or security of the United States. Furthermore, the 1952 Immigration and Nationality Act, 8 U.S.C. 1105, section 105 specifies "...the Assistant Secretary of State for Consular Affairs shall have authority to maintain direct and continuous liaison with the Directors of the Federal Bureau of Investigation and the Central Intelligence Agency and with other internal security officers of the Government for the purpose of obtaining and exchanging information for use in enforcing the provisions of this Act..."

The Honorable  
Henry J. Hyde,  
House of Representatives.

The Office of Management and Budget advises that from the standpoint of the Administration's program there is no objection to the submission of this report.

With best wishes,

Sincerely,

William L. Ball, III  
Assistant Secretary  
Legislative and Intergovernmental Affairs
