MEMORANDUM FOR: Grant S. Green
Executive Secretary
National Security Council

FROM: [Redacted] Executive Secretary
Central Intelligence Agency

25X1

SUBJECT: [Redacted]

25X1

1. This is in response to your memorandum of 19 August 1987

[Redacted]

25X1

However, we are concerned that the proposed procedure for the release of sensitive intelligence, as outlined in the final paragraph of your memorandum, might be interpreted to permit a decision on whether a release should be made without DCI concurrence.

2. The DCI has explicit responsibility under the National Security Act of 1947, 50 U.S.C. § 403(d)(3), to protect intelligence sources and methods from unauthorized disclosure. This provision of law, in conjunction with Executive Order 12356, "National Security Information," makes the DCI the final authority, short of the President, on declassification of information relating to intelligence sources and methods. Therefore, the DCI must approve any release of information involving intelligence sources and methods.
