JUDGE:

RE: Invitation to Attend  
Rochester Institute of Technology  
Banquet and Program  
Thursday, 6 August

Professor John Compton, Chairman of the Quality Control Program in Photographic Processing and Materials of the Rochester Institute of Technology (RIT), has invited you to attend a banquet and program in honor of the thirty-second class to graduate in the study of military photography at RIT. You are also invited to tour the facilities of the largest photographic school in the world.

Since you will be leaving that week for California to attend the ABA meeting and speak at the Institute of Judicial Administration breakfast, I recommend that you decline this invitation. If you agree, please sign the attached letter of regret.

Dear Professor Compton:

Thank you for inviting me to attend the banquet marking the completion of the thirty-second class for Quality Control in Photographic Processing Materials course at the Rochester Institute of Technology on Thursday, 6 August, in Rochester. Unfortunately, I have a conflict in my schedule, and will be unable to attend. Please extend my congratulations to the members of the graduating class. I wish you a very successful evening.

Sincerely yours,

William H. Webster  
Director of Central Intelligence

**UNITED STATES NAVY - CANADIAN FORCES**  
**Quality Control in Photographic Materials and Processing**

July 1987

Director  
Central Intelligence Agency  
Washington, DC 20505

Dear Colleague,

The completion of this summer's program marks the 32nd United States Navy - Canadian Forces program for Quality Control in Photographic Processing and Materials at RIT. We would like you to be our guest at the final banquet of the program on Thursday, August 6, at the Scotch 'N' Sirloin in the Todd Mart Plaza here in Rochester. Cash bar will open at 6:00; we will sit for dinner at 7:00. The class will be in uniform; our guests will dress either likewise or semi-formally.

On the following morning (August 7) the class presentation of the course summary laboratory project and the graduation exercise will take place in Seminar Room B (#2241) at the College of Graphic Arts and Photography (Building 7B) on the RIT campus, beginning at 10:00 AM. If you can attend we would welcome the opportunity to show you our facilities, which house the largest photographic school in the world; to discuss topics of photography with you; and for you to spend some time with us.

It is a pleasure to teach this course and to be involved in this and other ways with military photography. Please let us know if you will be able to come, and of any assistance to our visit we may provide. I may be reached at the above address, or at (716) 475-2752.

Sincerely yours,

Prof. John Compton, Chairman  
USN-CF Quality Control Program
