RE: Speaking Invitation
New York Metro Chapter of the Young Presidents' Organization
New York City
Convenient Date in October

Mr. Zane Tankel, Luncheon Chairman of the New York Metro Chapter of the Young Presidents' Organization (YPO), has invited you to be a luncheon speaker on a convenient date in October or any other month that would fit with your schedule. The proposed format would be approximately 20-30 minutes of remarks with 15 minutes of questions and answers. The topic of your speech would be at your discretion. Members of the media would not be present and all remarks would be off-the-record. You could expect an audience of between 40 to 60 small-company presidents at Le Cirque restaurant.

The YPO is a worldwide, 4,600-member group of small-company presidents and is divided into 95 chapters. According to Mr. Tankel the New York Metro Chapter of YPO is the largest chapter with 210 members. Confirmed speakers for this year's luncheon programs are Admiral Zumwalt, Baseball Commissioner Peter Ueberroth and Vice Chairman of the Board for Chrysler Corporation Gerry Greenwald.

In your role as Director of Central Intelligence, I would rather see you address national gatherings rather than the individual chapters of such organizations. If you agree, attached is a letter of regret to Mr. Tankel for your signature.

Dear Mr. Tanke1:

Thank you for your invitation to speak to the New York Metro Chapter of the Young Presidents' Organization at one of your luncheon program meetings at Le Cirque in New York City.
