MEMORANDUM FOR: Director of Information Technology

FROM: [redacted] Director of Scientific and Weapons Research

STAT

SUBJECT: Request for Priority of Installation of Delta Data Terminals (AIUO)

The Non-Acoustic Anti-Submarine Warfare Program Office of OSWR is relocating [redacted] from headquarters building on March 7, 1986. Five terminals, of the first 100 allocated to the DI in the recent expansion, were assigned to NAASW for installation in [redacted] Terminal Request Numbers [redacted] were submitted on Dec. 20, 1985. It is extremely important for the program office to have access to top agency management via AIM upon arrival. Therefore, I'm requesting that the installation of those five terminals be given whatever priority is necessary to insure they will be operational on or before March 7, 1986.
