MEMORANDUM FOR: 

STAT

FROM: Edward J. Maloney  
Director of Information Technology

SUBJECT: Architecture Working Group

1. You have been selected as a member of the OIT Architecture Working Group because of your technical skills and your experience in OIT. The AWG is presently developing standards for strategic interfaces, that OIT is required by the Executive Director to be complete by 1 October.

2. I hope that you will give your participation in the AWG the attention that it deserves.
