MEMORANDUM FOR: Chief, Management Information Systems Group, OIT

VIA: Deputy Director of Information Technology

FROM: [redacted]
Chief, Engineering Division, OC

SUBJECT: Establishing A PC Data Base [redacted]

1. Engineering Division's (FD) Satellite System Branch (SSB) is attempting to establish a data base that will be comprised of the SKYLINK network inventory. We would appreciate OIT's assistance and expertise concerning the following:

a. Recommendations on user-friendly systems that will operate in a Wang or IBM PC.

b. How the system can be accessed (read only) from a remote location in the Headquarters area [redacted]

c. The capability to transfer files from the PC (Data Base) to the IBM main frame system. [redacted]

2. Please contact [redacted] of my staff [redacted] for additional details.
