MEMORANDUM FOR THE HONORABLE WILLIAM H. WEBSTER
The Director of Central Intelligence

SUBJECT: Intelligence Community Report to SSCI

I appreciate your sending me a copy of the June 15 preliminary report to the SSCI. As you are aware, I received a letter from Senators Bradley and Cranston expressing some concerns regarding this study (Tab A). For your information, I am including a copy of my response (Tab B) to Senator Bradley. An identical letter was also sent to Senator Cranston. While their letter raised several concerns, I am most sensitive to the issue of ensuring that the report correctly reflects our national security priorities. As I stated in my response, I believe that the current study approach will support this objective. However, I would solicit your special attention to ensure this issue is properly addressed.
