RE: Speaking Invitation
Association of Former Intelligence Officers
New York, New York
Fall, 1988

President of the New York Chapter of the Association of Former Intelligence Officers (AFIO), Donald L. Milton, has invited you to address AFIO New York sometime this fall. Their meetings are held usually three times a year, Mondays through Thursdays, but on no fixed dates. The proposed format begins with a cocktail reception at 5:30 p.m. and follows with remarks on a topic of your choice at 6:00 p.m. The media would not be present unless requested.

Last September Mr. Milton invited you to speak, and you declined, asking for a rain check at a future date. (See correspondence opposite.) Since your fall schedule is heavily booked, I recommend that you consider meeting with the group in the spring, possibly for a time when you would need to be in New York. If you agree, a letter of regret is attached for your signature.

Dear Mr. Milton:

Thank you for again inviting me to address the New York Chapter of AFIO. I appreciate your thinking of me. I would like very much to meet with your group, but unfortunately, my schedule for the fall is such that I must decline and once again ask for a rain check. Perhaps we could arrange a date for next spring.

Best wishes to you and the other AFIO New York members.

Sincerely yours,

/s/ William H. Webster

Dear Sir,

I am writing to inquire about the possibility of you addressing our group in New York City sometime this fall.

As outlined in my earlier letter we are very flexible as to the date as we only need approximately three weeks to organize the gathering.

If your schedule permits we would be both delighted and honored if you could join us.

Dear Sir:

Congratulations on your appointment. We all wish you the very best and hope that your tenure at the agency will be both rewarding and gratifying.

I would like, on behalf of AFIO, invite you to speak before our group in New York. We usually meet three times a year and we are totally flexible as to the date. The meetings are scheduled for a Monday through Thursday and we try to begin at approximately 5:30-6:00 P.M. Our invitations are limited to our members, active members in the New York area, and Veterans of OSS. We exclude members of the press and foreign nationals.

In the past we have enjoyed such speakers as: Bill Casey, Bob Gates, and Vernon Walters. We are hoping, if your busy schedule brings you to New York, you would be able to share some time with our group.

I will be looking forward to hearing from you, for I know, if your schedule permits, our members will be thrilled at the opportunity to visit with you and to hear some of your thoughts.

Very truly yours,

Donald L. Milton

 Convenient Date

President of the of the New York Chapter of the Association of Former Intelligence Officers (AFIO), Donald Milton, has invited you to address the AFIO New York Chapter meeting at some convenient date. The proposed format is a cocktail reception at 5:30 p.m. Your remarks on a topic of your choice would begin at 6:00 p.m. followed by 30 minutes of questions and answers. Adjournment is at approximately 7:15 p.m. You could expect an audience of approximately 200 - 250 AFIO members and their guests, Veterans of the OSS, and the FBI field office representatives. Media would be present upon request. If your schedule allows, you also are invited to a private dinner party to be given in your honor after the program.

The AFIO New York Chapter was founded in the 1970s by Mr. Derek Lee. Approximately 150 former intelligence professionals meet three times a year to hear prominent speakers. William Casey spoke to this group in 1984 and Bob Gates spoke in March 1987. Other previous speakers have been Director of the Strategic Defense Initiative Organization Lieutenant General James A. Abrahamson, USAF, William Colby, Vladimir Sakharov, and Arnaud de Borchgrave.

Since Bob Gates spoke to this group recently, I believe that you should decline the invitation for the present year, but suggest that the group contact you for the next program year. Furthermore, I think it preferable that you address an AFIO National Convention before you speak to an individual chapter. If you agree, attached is a letter for your signature.
