RE: Speaking Invitation
 San Francisco Bay Area Federal Investigators Council
 San Francisco, California
 21 September 1988

Craig D. Kauffman, Investigator with the Federal Trade Commission San Francisco Regional Office, has invited you to address the San Francisco Bay Area Federal Investigators Council at their next meeting on 21 September at 10:00 A.M. The council would like you to speak to an audience of about 100 people on your expectations for the future of intelligence work. The Council has more than 200 members representing nearly every Federal agency in the Bay Area.

Since you will be in New York on 21 September, I have attached a letter of regret for your signature. Given the short deadline (we didn't receive the invitation until 9 September), we alerted the group to your conflict in schedule.

Dear Mr. Kauffman:

Thank you for your invitation to speak to the San Francisco Bay Area Federal Investigators Council on September 21st. It was kind of you to think of me. I would like very much to meet with your group, however I will be leaving the Bay Area prior to your meeting and have an engagement in another part of the country. Unfortunately I do not have any plans to be in your area again in the coming months and so cannot suggest an alternate time.

Best wishes for a successful program.

Sincerely yours,

/s/ William H. Webster
