WEEKLY REPORT FOR THE DCI  
OFFICE OF THE COMPTROLLER  
WEEK ENDING 25 MARCH 1988

1988

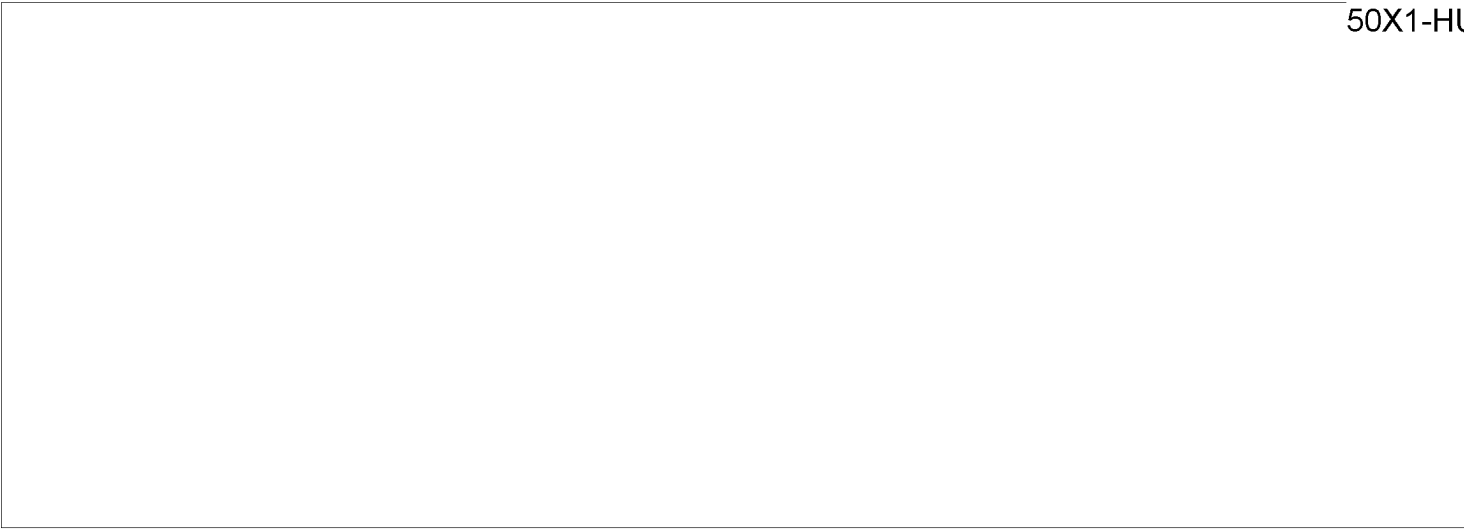

25X1

1989

- We will deliver to the House Intelligence Committee on 25 March responses to a large number of questions on the FY 1989 program engendered by the 16 March HPSCI budget hearing and the package of interim budget materials we had earlier provided the Committee. The interim package was necessarily less complete than the formal Congressional Budget Justification Book that is now in final stages of preparation. All materials have gone to the printer and we anticipate a delivery date of 1 April to the Hill.
- The Senate Select Committee on Intelligence (SSCI) has postponed until 11 April its hearing on our FY 1989 budget.
- We are also preparing follow-up materials requested by SSCI staff who conducted the review of the base portion of our FY 1987 budget. This review, undertaken as part of SSCI's consideration of our 1989 budget request, focused on how base resources are actually used.
