MEMORANDUM FOR: The Director
The Deputy Director

FROM: John L. Helgerson
Director of Congressional Affairs

SUBJECT: Weekly Report

STAT

Senate Action Clears Polygraph Bill for the President. Also yesterday the Senate adopted the conference report on H.R. 1212, thereby clearing the measure for Presidential action. This bill severely restricts private use of the polygraph while exempting governmental polygraph use, including that by the Agency and the Intelligence Community. Senate and House votes on passage suggest the bill will be veto-proof. However, the President is expected to sign the measure, notwithstanding last-ditch opposition by the Justice Department. Prior to the formal presentation of the bill to the President for action, we understand your views will be solicited via the enrolled bill letter process. In the next few days, we expect to circulate within the Agency for comment a draft of that letter.

DCI WEEKLY REPORT
PUBLIC AFFAIRS OFFICEMedia Relations

Media interest continues to flow from THE NEW YORK TIMES reporter James LeMoyné's article linking CIA to the torture and inhumane treatment of Honduran army prisoners in the early 1980s. Our response has been that those are basically old charges which had led to questions from the oversight committees and which were answered promptly. Any new charges will be investigated and reported to oversight.

PAO participated in interviews the DDCI gave to DCI Casey's biographer and the TOPEKA CAPITAL JOURNAL.

Background briefings were arranged for THE WASHINGTON POST on the USSR, THE NEW YORK TIMES on Angola, TIME MAGAZINE on the PLO and Cord Meyer on Glasnost and the KGB.

Executive Appearances and Invitations

The Director addressed 500 Arkansas State Judges and attorneys at the joint meeting of the Arkansas Bar Association and the Arkansas Judicial Council on Thursday, 9 June, in Hot Springs, Arkansas. The Bar Association said that although the topic of the DCI's speech was "controversial it was one that the attendees wanted to know and hear about." The Director received excellent media coverage. All local newspapers carried stories on his speech and the local TV channels covered his appearance.

Public Relations Unit

This week was an interesting intersection of PAO briefing events. On Monday, [REDACTED] briefed Mr. B. Renzy, III, the new counsel to the President's Intelligence Oversight Board, on the Agency with an emphasis on covert action and Congressional oversight. [REDACTED]
