NOTE TO: Director
Deputy Director
Executive Director

FROM: John L. Helgerson
Director of Congressional Affairs

We have learned from staff this afternoon that the ~~Boren-Cohen Bill~~ is scheduled to come to the Senate floor tomorrow.

Apparently, Boren had promised Specter that this action would not be taken before your testimony to the SSCI yesterday, but now that you have testified, Boren wants his bill put to a vote before Specter or anybody else can encumber it with amendments. I may learn more while talking with Sven Holmes later this afternoon and will keep you informed.
