SUBJECT:

DCI Hosted Breakfasts

Please arrange to have all guests at breakfast which I host brought into my office first, or provide me the opportunity of getting to the Dining Room before they do. I don't like to be the last one to arrive. Generally, I think it is better to have them brought into my office to say hello so that they will not have come out this far without having seen the office. This is usually better than asking them to drop by afterwards when we have already exhausted what we have to say and it is time to move on.
