OCA FILE SSCI

Dear Dick:

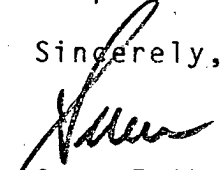

Pursuant to our discussion yesterday, we have enclosed a series of questions that may require access to information which is based on sensitive sources of information and collection. The information certainly may be provided in oral briefings in accordance with the general procedure we discussed.

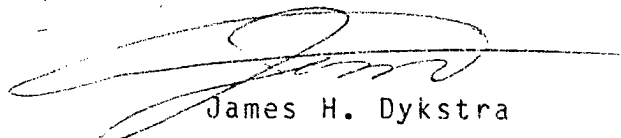

It appears that the information is necessary for the Committee's deliberations on the treaty regarding the ability of U.S. intelligence to monitor the treaty, the incentives for the Soviets to comply, and the specific measures Soviet military planners may seek to implement to compensate for those systems which are eliminated.

It is our hope that we can begin to process this request as soon as possible. If you or your staff have any questions, please do not hesitate to call.

Thank you in advance for your cooperation.

Sincerely,

  
Sven Erik Holmes

  
James H. Dykstra
