MEMORANDUM FOR THE RECORD

SUBJECT: Weekly Meeting with the SSCI
Senior Staff, 23 May 1988

The meeting was held in SHOB-211 at 1600. Sven Holmes, Jim Dykstra, and Keith Hall attended for the SSCI. John Helgerson, [redacted] attended for OCA. The following issues were discussed.

25X1

Holmes asked about the status of Senator Kerry's request [redacted] and requested a reply this week. (Action: [redacted])

25X1
25X1

Holmes asked about the status of the Agency's reply to the Boren/Cohen letter on elections. D/OCA replied that it would be ready for the DCI's review on Tuesday.

There was a brief discussion of the CSPIS-related documents the SSCI had requested. [redacted]

25X1

D/OCA raised [redacted] concern that the Department of State was denigrating his new office with the Foreign Relations and Government Operations Committees. Hall advised that the SSCI not do anything until it appeared this was becoming a serious problem.

25X1

Holmes inquired about the Committee's request for a 1 March 1988 NID article on a mobile missile launcher. (Action: [redacted])
