MEMORANDUM FOR: ~~Director of Central Intelligence~~
Deputy Director of Central Intelligence
Deputy Director for Operations
Deputy Director for Intelligence
Deputy Director for Science & Technology
Deputy Director for Administration

FROM: John L. Helgerson
Director of Congressional Affairs

SUBJECT: ~~Senate Select Committee on Intelligence (SSCI)~~
~~Staff Director~~

1. SSCI Staff Director, Sven Holmes, has now confirmed officially the rumors we have been hearing for some time: ~~Holmes will be leaving and George Tenet will become the Staff Director in August.~~ Tenet was in charge of preparing the Committee's report on INF Monitoring Capabilities and obviously won Senator Boren's respect.

2. My office will be setting up some briefings with the Directorates to familiarize Tenet with a range of subjects beyond arms control. [redacted] will be dealing with your staff to set these up.
