1. During the recent visit of the DCI to USAFE, you requested a list of those personnel who were involved in the planning, preparation, and execution of Judge Webster's trip. Attachment 1 provides a list of those USAFE personnel who actively organized or hosted the official party for the tours in their respective facilities. Attachment 2 provides the names of those personnel who were involved as project officers, before and during the visit, and who were responsible for overall coordination and implementation of the itinerary.

2. The individuals mentioned in the attached comprise the main "cadre" whose teamwork and dedication ensured the success of Judge Webster's USAFE orientation.

3. Thank you for your interest and support. I enjoyed your visit and look forward to seeing you again soon. Warm regards.

*Very Respectfully,*

*Rich*
