1. Appreciate your memorandum advising us of the need to accommodate the [Redacted]-person INF Monitoring Center. We were recently tasked by the DDA with coming up with options to accommodate this body of people in the Original Headquarters Building. We have forwarded our recommendations to the DDA on this subject, providing him with several options. We are, in fact, awaiting his decision and will take action expeditiously after that decision is made.

2. As you are very well aware, the placement of an additional [Redacted] people on the Headquarters Compound will mean that someone must be moved out. Given the occupants at Headquarters, that "someone" will either come from the DI or the DO. We will be in touch.
