MEMORANDUM FOR: Office of Logistics Division/Staff Chiefs

FROM:

[Redacted]

Chief, Information Management Support Staff, OL

SUBJECT: Bureaucratic Deterrents to Completion of Responsibilities and Potential Solutions

REFERENCE: DDA Memorandum 87-0700, Same Subject, Attached

1. The Director for Administration has requested that a specific example of the most troublesome bureaucratic stumbling block that deters us from timely completion of our responsibilities be brought to his attention with potential solution proposals.

Mr. Donnelly states that he will duly consider each problem area and evaluate its feasibility, within the extent of his resources. Please refer to the attached referent memorandum.

2. Accordingly it is requested that you submit statements of such bureaucratic examples and suggested solutions thereto to IMSS by COB 17 April 1987. Each OL Division and Staff will be expected to provide at least one example. Should you have any questions relative to this effort, please contact [Redacted] IMSS/OL,

MEMORANDUM FOR: Agency Office/Division Directors
FROM: William F. Donnelly
Deputy Director for Administration
SUBJECT: Request for Your Thoughts on Reducing Bureaucracy

1. I know that there is nothing more frustrating than seeing one's day-to-day work impeded by bureaucratic hold-ups. As an Office Director, I had little tolerance for layers of bureaucracy and, in my current position, I would like to do something about it whenever possible.

2. I would like you to give this topic some thought and to send me a specific example of the most troublesome bureaucratic stumbling block you face and your best suggestion for solving it. I cannot promise to handle them all, but each one will receive serious consideration if it is something the Directorate of Administration can contribute toward solving. I want our support to you to be the finest and fastest possible within resources.

3. Please involve your key managers in this effort. Send your thoughts to: EXA/DDA, 7D18 Headquarters.

William F. Donnelly
