13 May 1988

## FROM THE D/L'S CORNER

I was particularly pleased to address your accomplishments in the State of the Office address held at Headquarters on 11 May and at  on 12 May.

As was stated in the presentation, OL has been challenged during the past 12 months as never before in its history. Simply put, you have successfully met every challenge in a superb fashion. Many of you have had to undergo substantial personal sacrifices in getting the job done, both in times of hardships overseas or in performing "double duty" at home. All of your accomplishments have contributed to the success of the Agency and you can be very proud of that.

I congratulate you on the success of your efforts during the past year. I am very proud to represent you, and I look forward to working with you in meeting the challenges which lie ahead.
