Lyanhchenko, N. Ya.

THE QUESTION ON THE ASYMPTOTIC STABILITY  
OF THE SOLUTIONS TO NONLINEAR SYSTEMS OF  
DIFFERENTIAL EQUATIONS. [1961] [6]p. 6 refs.  
Order from OTS or SLA \$1.10 61-18302

I. Lyanhchenko, N. Ya.

Trans. of Akademiya Nauk SSSR, Doklady, 1955,  
v. 104, no. 2, p. 177-179.

DESCRIPTORS: \*Non-linear differential equations,  
Integral equations, Numerical analysis.

Several theorems on the asymptotic stability of certain  
solutions of nonlinear differential equations are pre-  
sented. The main hypothesis is that the real parts of  
the characteristic roots of the time dependent matrix  
coefficient of the linear term be negative. Other  
hypotheses relate to the size of the Lipschitz constant  
for (basically) higher order terms. (Translator)
