MEMORANDUM FOR: All ORD Employees

SUBJECT: ORD MAG Study Selection

1. The recently formed ORD MAG is in the process of selecting topics for study, the results of which will be presented to ORD management and employees. In selecting these topics, MAG members have held discussions with the majority of ORD employees. The attached list contains the most prominent concerns expressed during these initial discussions, but this list is not intended to be all-inclusive. Please review these suggestions, rating their relative importance, and add additional items which you feel worthy of consideration.

2. The results of this survey are needed by COB 23 April 1976. Please return your ratings and comments to any member of ORD MAG (listed below). Your personal comments will be greatly appreciated and will be considered confidential.
